

plenus group inc

“We take quality ingredients, add our commitment to service and excellence, spice with imagination and voila! – Food you will be pleased to serve your customers.” – Joe Jolly, CEO

The Plenus Group Inc. based in Lowell, MA operates a USDA- FDA inspected and HACCP compliant food manufacturing facility. PGI specializes in the manufacture of premium soups; sauces; and gourmet value-added frozen food items.

A large part of our business is the development and manufacture of custom designed private label products.

Boston Chowda Co. adheres to the time honored traditions of New England cooking. We take great pride in offering the finest chowders, bisques, soups and chilis.

BCC has become one of the most valued suppliers of soups to restaurants, seafood departments, and local supermarkets throughout the United States.

We offer over forty great varieties of frozen soup, five of which are available in retail-ready packaging. At Boston Chowda Company we stand behind the quality of our soup. Our award winning, crowd pleasing clam chowda has been spotlighted on the food network multiple times.

The Boston Chowda line includes the following soup varieties:

- Seafood Chowda and Bisques
- Chili and Chicken Soups
- Hearty Meat and Vegetarian Soups
- Southern and Italian Favorites
